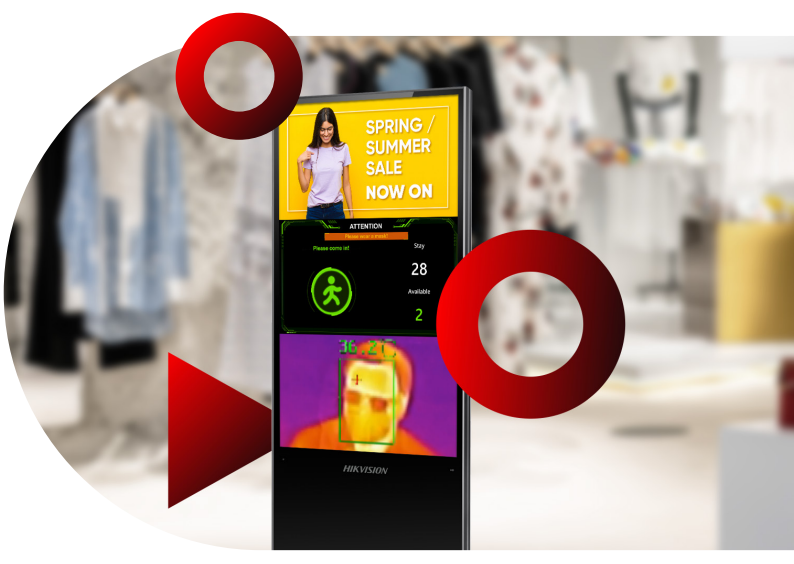
HIKVISION
Digital Display Solution

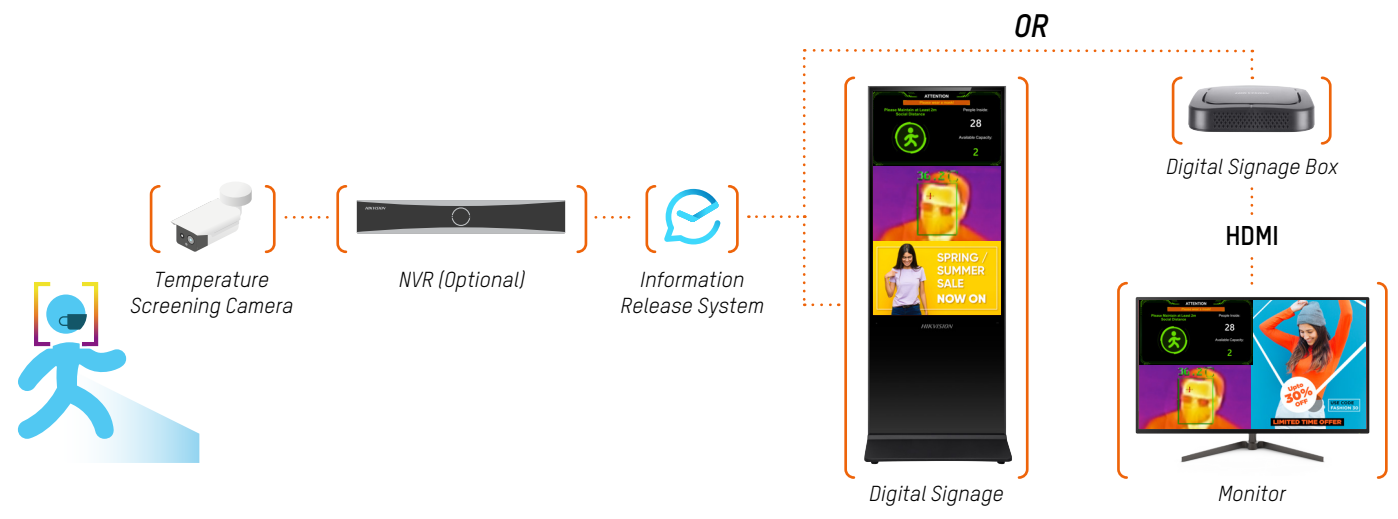
The **Hikvision Digital Display Solution** clearly communicates live information to all of your visitors by combining Temperature Screening, Density Control, and Face Mask Detection solutions with digital and video messaging or advertising. It lets everyone know when they can enter your premises while displaying any special messages in realtime.

- *Fast Deployment*
- *Powerful Information Release Software*
- *All-In-One*
- *Remote Management / Control*

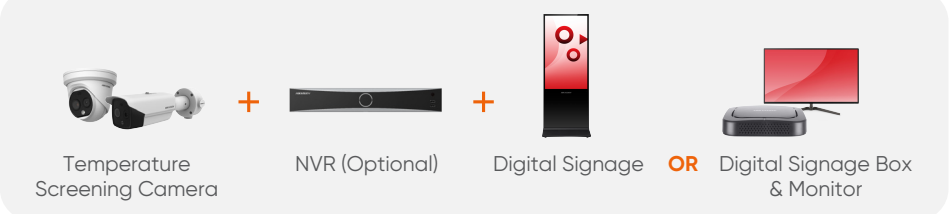


Solutions

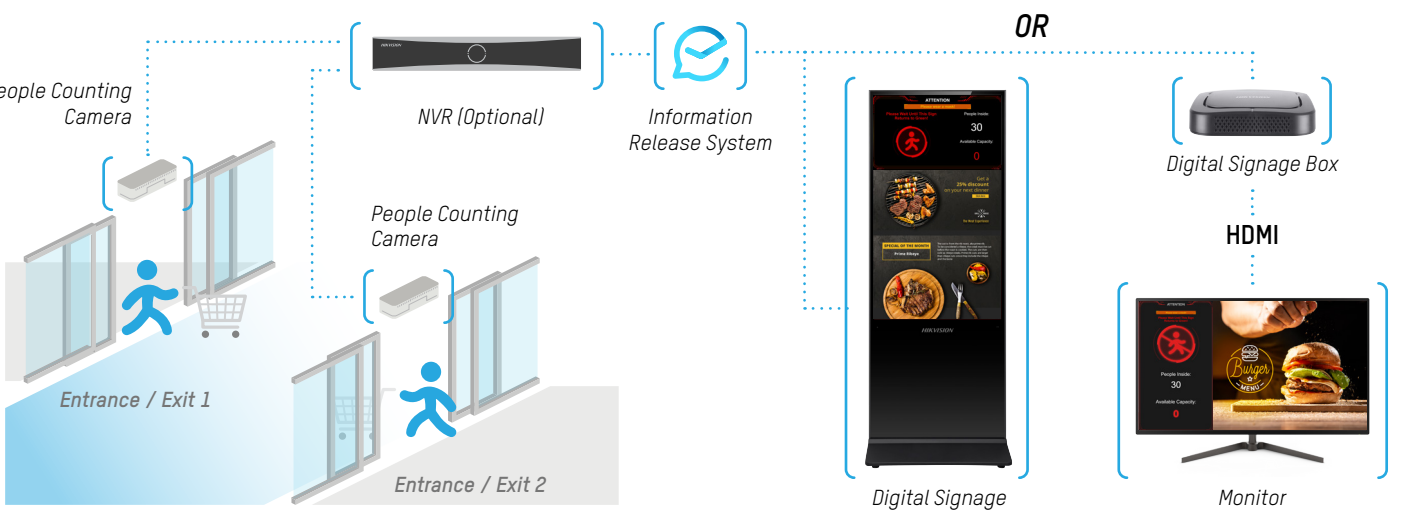
Temperature Screening & Mask Detection Digital Display Solution



- Ideal for office buildings, schools, retail stores and hospitals.
- Fast to deploy and cost effective.
- Displays images of the thermal camera, temperature detection and mask detection results.



Density Control Digital Display Solution



- Ideal for shops, restaurants or any premises where you need to control the number and flow of people.
- Fast to deploy and cost effective, with only one camera, monitor and digital signage box required.
- Basic numeric data shows number of people on premises. Real-time alert and voice prompt from camera when threshold is reached.
- When a customer without a mask is detected, a customised text prompt will pops up.
- Can play advertising images or videos in a loop.

43" DS-D6043FL-B/S
55" DS-D6055FL-B/S

- Floor-standing display, perfect for entrances and corridors
- Full HD 1080p
- Cortex-A17, 4-core, 1.8 GHz,
- 2GB memory
- Powered by Android 6.0.1
- Industrial A+ panel
- Brightness up to 450cd/m²
- RJ45/USB/WIFI
- 8 GB EMMC
- TF 32 GB

Wall-Mounted Digital Signage with Touch Display (TL Models)

22" DS-D6022TL/FL-B
32" DS-D6032TL/FL-B
43" DS-D6043TL-B
55" DS-D6055TL-B

- Ideal if you need to make quick changes to display set up, or simply highlight areas within the display using the digital drawing tools
- Full HD 1080p
- Interactive touch screen, 10 point multi-touch.
- Cortex-A17, 4-core, 1.8 GHz
- 2GB memory
- Powered by Android 6.0.1
- Industrial A+ panel
- Brightness up to 450cd/m²
- RJ45/USB/WIFI
- 8 GB EMMC
- TF 32 GB

Wall-Mounted Digital Signage with Narrow Bezel

43" DS-D6043FN-B
55" DS-D6055FN-B

- Perfect for areas where contemporary style requires minimal bezels, borders and frames
- Full HD 1080p
- Cortex-A17, 4-core, 1.8 GHz
- 2GB memory
- Powered by Android 6.0.1
- Industrial A+ panel
- Brightness up to 450cd/m²
- RJ45/USB/WIFI
- 8 GB EMMC
- TF 32 GB

Wall-Mounted Digital Signage with 4K RGB Narrow Bezel

55" DS-D6055UN-B

- For the ultimate 4K sharpness and contemporary style with narrow bezel edge
- 4K resolution
- Cortex-A17, 4-core, 1.8 GHz
- 2GB memory
- Powered by Android 6.0.1
- Industrial A+ panel
- Brightness up to 450cd/m²
- RJ45/USB/WIFI
- 8 GB EMMC
