WELCOME

Roy Cooper, Managing Director of Professional Security Magazine, welcomes you to **Security TWENTY 17 Scotland** here at the Hilton Hotel in Glasgow. We have planned the day so that you can enjoy some excellent presentations from key industry people that are involved with the changing world in which we live. Whatever your subject of expertise, there should be something in the presentations for you to learn and leave feeling better informed. I would like to thank firstly exhibitors who

have made the day possible with their contributions, and a special thanks to our sponsors Anixter, Hanwha Techwin, Hikvision, IFSEC International, Seagate, CSL Dualcom and Jacksons Fencing. Please take the time to visit their stands as they too have new innovations you may not have seen before. I also would especially like to thank our key note speakers for taking the time out of their busy days to come and share their knowledge with you, but more to the point I would like to thank you for coming along. I hope you have a great day and look forward to welcoming you to our next event.
