WELCOME

Roy Cooper, Managing Director of Professional Security Magazine, welcomes you to **Security TWENTY 18 Scotland** here at the Hilton Hotel in Glasgow. We have planned the day so that you can enjoy some excellent presentations from key industry people that are involved with the changing world in which we live. Whatever your subject of expertise, there should be something in the presentations for you to learn and leave feeling better informed. I would like to thank firstly exhibitors who have made the day possible with their contributions, and a special thanks to our sponsors Anixter, Hanwha Techwin, Hikvision, Seagate, CSL Dualcom and Netvu. Please take the time to visit their stands as they too have new innovations you may not have seen before. I also would especially like to thank our key note speakers for taking the time out of their busy days to come and share their knowledge with you, but more to the point I would like to thank you for coming along. I hope you have a great day and look forward to welcoming you to our next event.

NOMINATED CHARITY

As you may know, we aim to raise funds for local charities at each of our events and are especially keen to support charities which are close to the hearts of our exhibitors and delegates.

At Security TWENTY 18 Scotland we will be raising funds for the **Anthony Nolan Trust** in memory of Graeme Hazlewood of the NSI who sadly lost his fight with cancer in March 2018.
